Curling is a fun Canadian sport for all. Since it is played on ice, which is a hazard, safety and common sense are stressed at all times. Accidents can and do happen. A hockey helmet is recommended for those young curlers whose parents or guardians feel they need. Lifting of a 44 lb. curling rocks could be involved but not promoted. Curl Canada techniques are being taught to minimise accidents.

I grant permission for _____ to participate in the Junior Curling Program at the Blue Water Curling Club. As a condition of the use of the Blue Water Curling Club facilities, the junior curlers and parents/guardians agree that the Blue Water Curling Club, its members and its employees shall not be liable for any such property loss, personal injury or death and release the Blue Water Curling Club, its members and its employees and waive all claims with respect thereto.
